

July 2024

Thought for the month: "I want to truly be "Free"!"

1. "Could you say a few words about 'freedom'?"
2. Why do you ask?
3. "Well, tomorrow is the Fourth of July."
4. Happy Fourth of July!
5. So, again, why do you ask?
6. "Well, it just seems that a lot of people aren't 'free'."
7. "I see this in three ways."
8. "The first is that they always seem to be worried about something."
9. "If it's not their health, it's about their kids."
10. "And, a lot of people are worried about the Presidential election."
11. "Secondly, people worry a lot about money and possessions."
12. "People always seem to want more money, and more things."
13. "They never seem to be satisfied--it's always more, more, more."
14. "Third, it seems like people lack balance in life."
15. "People seem to be out of kilter--lacking calmness."
16. "And, most people seem to make bad decisions--they are out of sync."
17. Wow, you sure have had a lot of things on your mind about "freedom".
18. "I have, can you offer some guidance?"
19. Yes, I can.
20. All of the things mentioned are true: People seem to be worried, out of control.
21. And, people always want more, and seem to be less satisfied when they get it.
22. And, you're right, many people lack balance.
23. The best solution to these three problems is a set of Spiritual principles and values.
24. People are lost without Spiritual principles and values that stabilize their life.
25. "That's right. So where do I go to find them?"
26. Now Creations has exactly what people need: A strong set of Spiritual principles and values.
27. However, people often want a quick fix, a Spiritual "pill", and are unwilling to do the work.
28. Yet, if you and others are willing, Now Creations will clearly, teach you the Truth that will set you "Free".
29. We have a wide set of teachings and practices that work!
30. We know the Truth, and happily share it.
31. "That's exactly what I am looking for. Thank you."
