

December 2024

Thought for the month: "I am the Love of God in human form--just like Jesus."

1. "Have you noticed anything different in the members of Now Creations lately?"
2. Interesting that you should ask that question; I have noticed a difference.
3. "What would you say that it is?"
4. A sense of devotion.
5. "A devotion to what?"
6. A devotion to the expansion of their Spirituality.
7. "Can you explain more?"
8. First, I notice a sincere desire to grow more, to expand their Spiritual awareness.
9. There is a real sense of "I want to be fully Spiritually realized in this lifetime".
10. Spirituality seems to have become the daily center of their lives.
11. There is just a wonderful commitment to their daily Spiritual practices.
12. Our members really enjoy meditation; it's the center of their day.
13. And, of course, every once in a while we need our "go-to phrase" to smooth things out.
14. And, they feel the results of their Spiritual practices in their mental, emotional, and physical health.
15. Second, they really enjoy their Spiritual friends in our Zoom groups
16. It's just nice to be with people of like mind and Spirit.
17. I think that these Spiritual friendships are a new experience for many of us.
18. It's such a joy to enter into "Spiritual communion" with others.
19. Third, our members are happy to share their Spiritual growth.
20. They are now able to express their Spirituality in their daily behaviors.
21. It's a joy for them to now interact with others-- from Spirit.
22. They just are happy to be with their "family members".
23. Of course, not everything is easy, but they do feel Spiritually strengthened.
24. Today and tomorrow are great days to celebrate the birth of the great avatar, Jesus.

25. What a wonderful day to pause and appreciate the beauty and power of the Life of Jesus!
26. There is a fourth difference.
27. Many of our members feel that, like Jesus, they are the Love of God in human form.
28. They feel that they in the flow of the Loving Presence.
29. They really feel that the Holy Spirit is their Guide in Life.
30. So glad that you asked if I noticed anything different in our members.
31. What a powerful launching pad for the new Year!
