

March 2025

Thought for the month: I am using meditation to practice my Divinity.

1. "Thank you for saying more about practicing my Divinity."
2. It's a pleasure to do so.
3. There are two things that you have to know.
4. But first: It's a joy to celebrate the founding of Now Creations 20 years ago tomorrow!
5. Today is the 20th Anniversary of Now Creations!!!
6. It is a joy to remember, gracefully, Bob Cene, Jr., the co-founder of Now Creations
7. What a joy Bob was and continues to be for Now Creations.
8. Now, back to practicing your Divinity.
9. The first thing you have to know is the "Who" that is made in the image and likeness of God.
10. The "Who" is not your personality self, nor your worldly self.
11. The "Who" that is made in the image and likeness of God is your Soul.
12. Your Soul is the Inner You.
13. When you go more deeply inward, you come to know your "Soul" Self.
14. It is your Soul Self that is created in the image and likeness of God.
15. "I didn't understand that until now."
16. And, it is your Soul Self that has all the Spiritual qualities of God.
17. So, when you access your Soul Self, you are able to be "God-like" or "of God".
18. "I like the phrase that you are 'God-like'."
19. "I have another question: How do you access your Soul Self?"
20. That's the second thing you need to know.
21. You access your Soul Self through meditation.
22. "Somehow, I knew you would say that."
23. Yes, meditation is the "gateway to the Soul".
24. Without meditating, without going more deeply within, your Spiritual progress will be very slow.
25. "Okay, how do I learn to meditate better?"
26. Two ways: First, call Vince (330-783-0387) and he will help you.
27. He will guide you, and spend time with you.
28. Your meditation practice is that important to him.
29. Secondly, you can go to the Now Creations website, and click on "Special Meditations".
30. And, then scroll down to the meditation on "Focused Breathing".
31. "I now feel informed and desirous of practicing my Divinity."
