September 2026

Thought for the month: Teach only Love for that is what you are.

1. "So, how was it?"
2. How was what?
3. "The picnic on August 22nd."
4. It was terrific, wonderful.
5. "How so?"
6. It was the Energy of the people.
7. The attendees came with a Loving Energy to share.
8. "Was the food good?"
9. Did you hear what I just said?
10. It was the Energy of the attendees that made it so good.
11. "I heard that your talk was really good, too."
12. Did you hear what I said?
13. It was the Loving Energy of the attendees that was the key factor.
14. "Okay, now I got it: The Loving Energy of the attendees was the most beautiful feature."
15. Yes, that's right.
16. "Okay, I got it now, but what was your talk about?"
17. I am happy to share some of the key points.
18. The first is to re-identify yourself as a Soul, Spirit, Source Energy.
19. Many people are still identifying with their limited personality self.
20. Even a lot of seemingly Spiritual people just have not re-identified.
21. "It's hard to do so in this life."
22. It's hard until you are willing to make the effort to do so.
23. Our attendees are making the effort, and are growing in the Awareness.
24. They are identifying themselves as the Love of God in human form.
25. They teach only Love for that is what they are.
26. They are in the flow of the Loving Presence.
27. The Holy Spirit is their Guide.
28. They now rest wholly in the Consciousness of God.
29. They are radiating Love.
30. "I think that I finally understand what you mean."
